

**WELCOME: SUMMIT BY MORRISON OPENS HOUSE ON WHITEFIELD COMMUNITY DAY**  
*Public Gets Tour of White Mountains' Innovative Senior Living Community*

**WHITEFIELD, N.H.** – Summit by Morrison is not only committed to providing seniors with a full continuum of care, but to being an integral part of the community. That's what made the annual Whitefield Community Day on August 11 a perfect day to hold the Grand Opening of the region's newest senior living community.

Summit by Morrison welcomed young and old to its Grand Opening and Open House with music, games, an ice cream sundae station and tours of the 25-acre campus set on a sloping hillside with sweeping views of Dalton Mountain.

Summit by Morrison was developed by The Morrison Assisted Living and Skilled Nursing Care (The Morrison) to create the region's only full continuum of care for seniors. Located less than a mile from The Morrison, a non-profit which has been providing healthcare to the North Country since 1903, Summit by Morrison offers 14 Independent Living cottages, 33 Independent Living apartments, 24 Assisted Living apartments and 12 apartments for residents who require Memory Care.

**About Summit by Morrison**

Summit by Morrison is a senior living community located in Whitefield, N.H., in the heart of the White Mountains. Summit by Morrison was developed by The Morrison Assisted Living and Skilled Nursing Care in Whitefield to provide Independent Living Assisted Living and Memory Care living.
